

## Academy Strings School Orchestra Program and Private Teacher Verification

Thank you for your interest in the 2<sup>nd</sup> season of Academy Strings! We are thrilled to have the support of both private and school teachers and want to be sure that we continue to support the local school programs, and not be in competition with them.

Please know that this will really be a team effort to provide students with the best possible musical experience during their middle school years. **As such, all participants in Academy Strings must be currently enrolled in their school orchestra programs.**

We also know that the help and encouragement of private teachers is key to success in our ensemble programs. If you are taking private lessons, please be sure to include your teacher's name and email!
